WHEN JESUS SEES ME HE SEES RED

Ann discovered the way out of fear into an exciting life of faith. She demonstrates with her red umbrella how she learned to trust in God's power through Jesus' blood. He pulled her out of a crazy downward spiral of living by *feelings* of unworthiness and insecurity into living by *faith*—personally and in her marriage. For non-believers or believers.

OVERCOME WITH B-E-A-R FACTS OF FAITH

Knowing and understanding the B-E-A-R facts of faith makes for a successful, happy marriage and family. With down-to-earth testimonials, Ann makes it easy to understand how to wisely command and control our words that impact our world.

FOLLOW JESUS WITH THREE LIGHTS

How do we know what God is saying to us? Knowing and understanding the three harbor lights and how they must line up in order to discern God's guidance makes the difference between a crash on the rocks or a safe docking. This knowledge guides marriages 'on the rocks' to safety and helps in every day decisions.

PROSPERITY IS MORE THAN MONEY

Although prosperity is more than money, it's how we use our money that brings true prosperity—"to become strong and flourishing." Ann shares how she and her family discovered the blessings of El Shaddai when they came to their last \$3.00. Miracles followed in the next 14 months—through refining fires—as they learned God's plan of economy which laid the foundation for their marriage and ministry.

"BE MY VALENTINE," LOVE JESUS

What does the mature bride look like? What will it take to become mature so Jesus will want to claim His bride? Ann explores the soft and hard sides of love in our relationship with Jesus, and the four stages of teamwork in our partnership with Him—the forming, storming, norming and performing stages of maturity.

SEVEN FOLDS IN JESUS' GARMENT

Ann shares two supernatural events given her by God in 1994-95 of *what* the Rapture will look like. She shares an outline from the book of Ruth that demonstrates *how* Christians should get involved in the end-time harvest—because Jesus is coming very, very, very, very soon! (60 min.)

Calling Real Ordinary [Wo]men Now

Turn your small groups into basic training for God's Army. If your church does not have them, now is the time to create them. Motivate and equip your team leaders to move out into their neighborhoods and workplaces for the end-time harvest of souls. (See separate brochure for seminar.)
